Dear Parent/Carer

Supported Study Classes for a number of subjects will commence week beginning Tuesday 26 September 2017 and run until Friday 23 March 2018 excluding holidays.

Classes will start at 3.45 pm and finish at 4.45 pm on a Monday, Tuesday and Thursday.

Classes will start at 3.00 pm and finish at 4.00 pm on a Wednesday.

This session some subjects will not be weekly but fortnightly or in blocks of time, for example prior to assessments and final exams. Therefore, it is important to look carefully at the timetable. **Where a subject is on every two weeks, the Faculty will inform classes regarding dates.**

This is one of a number of initiatives organised this session to support raising attainment. It incorporates:

- Additional classes on a Saturday or two hour sessions
- Support in some faculties at lunchtime
- Workshops covering a range of topics, for example, methods to inspire pupils to see the benefits of studying, confidence, self-belief and goal setting
- Classes for most subjects during the Easter holidays
- Study Saturday (Target Group). This session departments will 'target' specific components of the course, to further raise attainment
- Tracking
- Arran Study Weekends

We would strongly encourage your child to attend Supported Study. Pupils who have attended in the past have found this beneficial and their participation can contribute to enhanced SQA results.

Yours sincerely

G Dunker (Mrs)
Depute Head Teacher
