

11th June 2019

### **Alfred Dunhill Schools' Challenge 2019**

Following the success of last year's Alfred Dunhill Schools' Challenge, and the high standard of golf displayed by the contestants, we would like to invite students from your school to take part in this year's competition.

The 2019 Alfred Dunhill Schools' Challenge will take place on **Sunday, 22nd September 2019** over the **Dukes Course, St Andrews**, with the first Tee Time at **08:00**. The competition will be decided by one 18-hole medal round with the player returning the lowest net score in each category being declared the winner. Competitors will play off their full handicap in four separate divisions:

Junior Boy and Girl (S1-S3) Senior Boy and Girl (S4-S6)

In addition, there will be an overall Scratch Prize for the lowest gross score across all four divisions.

The winners of the Alfred Dunhill Schools' Challenge will be presented with their prizes at a special Awards Ceremony in St Andrews on 29th September, the final Sunday of this year's Alfred Dunhill Links Championship, which will be played 26th – 29th September. All students competing in the event, together with their parents and a school representative, will be given complimentary passes for the final day and will be invited to an exclusive Golf Clinic on the Championship Practice Ground conducted by the internationally renowned golf coach Robert Baker. Appropriate passes will be distributed at the Dukes Course on Sunday, 22nd September.

If you have students who would like to play in this year's Alfred Dunhill Schools' Challenge, please forward their names, contact addresses, age group and handicaps, together with the name of the school, no later than **Friday, 30th August** to:

*James Spence*

*Alfred Dunhill Schools' Challenge*

We hope that you will encourage all your young golfers to play in what will be a serious, but hopefully enjoyable, competition. Tee times will be sent out to all School Co-ordinators but for convenience they will also be posted on the below ftp site. It would be very helpful if you could also make all participating students and their families aware of this site so they can check for any last minute changes.
